Re: Notice of Oral Ex Parte Communication, In the Matter of Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers, CC Docket Nos. 04-313 and 01-338

Dear Ms. Dortch:

On October 6, Bob Quinn and the undersigned, representing AT&T, met separately with Jessica Rosenworcel, Legal Advisor to Commissioner Copps and with Commissioner Abernathy and Matt Brill, her Legal Advisor. The purpose of each meeting was to discuss AT&T's position on the Bell requests to the Commission to clarify or reconsider its unbundling rules with respect to fiber-to-the-curb loops. We explained how these arguments were simply an attempt by the Bell Companies to extend to other loop arrangements the regulatory relief that the Commission found appropriate only for greenfield mass market FTTH deployments. All our comments were consistent with AT&T's written comments as filed in the above-referenced proceeding.

Consistent with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceedings.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a long horizontal line.
